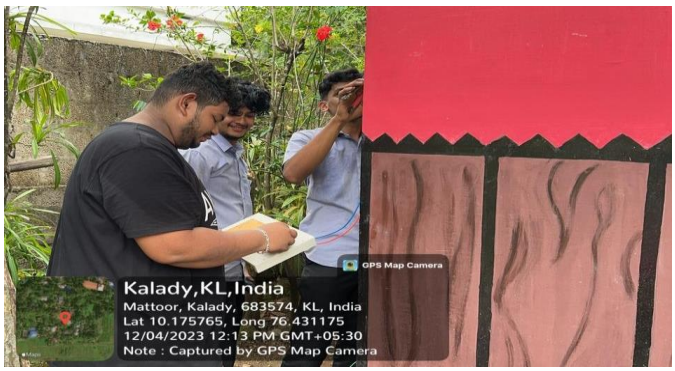
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Event: VIDYUTH 2024	**Programme: EEE**	**Batch:2020-24**
Date: 20,21,24 November and 4 December 2023		Time: 9:00am-4:00pm
Duration: 4 DAYS		
Description of the event: VIDYUTH started off in 2013 and is still moving on with immense dedication and support of IEEE PES SB, NSS units 228&582, IEDC, the Department of EEE and the students and mentors of ASIET. Vidyuth is a venture that is aimed at helping the poor households of the state by providing them with the gift of electricity The students and faculty members arranged all the equipment required for the electrical wiring of houses for financially unstable individuals and completed the wiring free of cost. Everything from drawing electric cables, installing conduit wiring in the houses and installing electrical fittings like fans, electric lights and power plugs are undertaken by the students completely free of cost. Helping over 100 households reap the benefits of electrification,		
Coordinator of the event: Dr Deepa Shankar (HOD), Dr, Sreena Sreekumar, Mr Sreehari S , Mr Lyson John Department of EEE, Mr. Sreejith Electrical technician ASIET		
Number of students attended: 34		
Semester: S7		

REPORT

Vidyuth is a social initiative that aims to bring light and power to the underprivileged families of the state. It is a joint effort of the students and faculties of Electrical and Electronics department of our collage, who volunteer their time and skills to install electrical wiring and appliances in the homes of the poor. Vidyuth provides all the necessary materials and equipment for the project, such as cables, conduits, switches, sockets, fans, and lights. The students and faculties work together to plan, design, and execute the wiring of the houses, following safety and quality standards. They also educate the beneficiaries about the proper use and maintenance of the electrical system. Vidyuth has successfully electrified over 100 households so far, improving their living conditions and opportunities. By doing so, Vidyuth not only fulfills a basic need, but also empowers the communities with the gift of electricity. Vidyuth is an example of how students and faculties can use their knowledge and passion to make a positive difference in the society.

\



Vidyuth is a remarkable example of how students and faculties can use their knowledge and passion to make a positive difference in the society It is a model that can be replicated and scaled up to reach more people and places that need electricity. Vidyuth is not just a project, but a movement that aims to light up the lives of the underprivileged and empower them with the gift of electricity.

In light of these events students from S7 EEE 2020-2024 batch volunteered on the Vidyuth project for Mrs Karthyayani AK w/o Ravi PK of Paleli akkara, Thottekkad, Mattoor (PIN:683574) completing it in four days estimating materials, collecting them, forming a team and finalizing the analysis, and implementing the project. The project took four days, 20,21,24 November 2023 and concluding on 4 December 2023.

CONCLUSION

Vidyuth 2024 successfully brought light and better living conditions to a deserving family. S7 EEE students, faculties, electrical technician, and generous sponsors played crucial roles in illuminating the home of Mrs. Karthyayani A K. This four-day project involved thorough planning, strategic teamwork, and meticulous implementation of electrical wiring and lighting. Additionally, the team educated Mrs. Karthyayani on how to properly use and maintain the electrical system. This impactful initiative not only improved the daily lives of Mrs. Karthyayani and her family but also exemplifies the power of student engagement, faculty guidance, and community support. The success of Vidyuth 2024 paves the way for future projects that aim to bring light and positive change to more homes through the power of electricity.

List of students volunteered for the successful accomplishment of Vidyuth 2024:
ABHIJITH A
AGESH RAMESAN
AKASH S
ALAN ANTU P
ALEX SHAJU
ANANDHA KRISHNAN B
ANTONY JOY
ASHIK DEV
ASHITA SAJEEV
ASHNA S
ASWIN MURALI
ATHUL BABU
BASIL ELDHOSE
BENCHACKO CHITTILAPPILLY
DIYAMOL DAVIS
ERIN XAVIER D COUTHO
GOURINANDA B
HARIKRISHNAN C K
HARITHA H
HARITHA K J
